IN RE: CATHODE RAY TUBE (CRT))	Master File No. CV-07-5944 JST
ANTITRUST LITIGATION)

)	DECLARATION OF JOSEPH M. FISHER
)	RE: NOTICE OF CHUNGHWA PLAN OF
)	DISTRIBUTION

)	

This document relates to:

ALL INDIRECT PURCHASER ACTIONS

1 I, Joseph M. Fisher, declare:

2 1. Identification. I am the president of The Notice Company, Inc., a Massachusetts
3 corporation with offices at 94 Station Street, Hingham, MA 02043 ("The Notice Company"). The
4 Notice Company is principally engaged in the administration of class action settlements and
5 lawsuits pending in courts around the United States, including the dissemination of notice to class
6 members, administering the claims process, and distributing the proceeds of the litigation to the
7 class. I have over a decade of experience assisting attorneys with class action notices and claims
8 administration. I am also a member in good standing of the bars of the Commonwealth of
9 Massachusetts, the District of Columbia, and the Commonwealth of Virginia. I am over 21 years
10 of age and not a party to this action. The Notice Company is the Claims Administrator,
11 responsible for receiving and processing claims in these Settlements. I have personal knowledge
12 of the facts set forth herein and, if called as a witness, could and would testify thereto under oath.

13 2. Purpose of Declaration. I have reviewed the "Special Master's Corrected
14 Supplemental Report and Recommendation Re Chunghwa Allocation Issue in Connection with
15 Indirect Purchaser Plaintiffs' Settlement" dated February 29, 2016 (the "R&R"). To assist Lead
16 Counsel in responding to this R&R, I have prepared this Declaration which (a) presents the
17 proposed program for notifying resellers of the distribution of Chunghwa funds, including the
18 reach and completeness of these notices, (b) presents the proposed program for notifying end
19 users of the plan for distribution of Chunghwa settlement funds, and (c) identifies the extra costs
20 associated with the proposed Chunghwa notices and with the associated claims administration.

21 RESELLER NOTICE

22 3. Notice Program for Resellers. In order to reach entities that indirectly purchased
23 CRT Products for the purpose of resale ("Resellers"), I propose a Notice Program that utilizes a
24 combination of the following:

- 25 a. Direct Notice by U.S. mail, which is the primary means of notice;
- 26 b. Additional Notice by email;
- 27 c. Online Media;

1 d. Paid Print Media

2 e. Social Media; and

3 f. Earned Media, including Press Releases.

4 g. Updating the CRTclaims.com settlement website concerning the Chunghwa
5 settlement.

6 4. CRTclaims.com Website – Reseller Information. A central tenet of the reseller
7 notice program is to provide complete information on the settlement website, at
8 **www.CRTclaims.com**, concerning the Chunghwa distribution plan, including a Detailed Notice
9 substantially in the form attached hereto as **Exhibit A**, and a Summary Notice substantially in the
10 form attached hereto as **Exhibit B**. Both notices will clearly inform resellers of their opportunity
11 to submit a claim and of their right to object to the proposed allocation of the Chunghwa
12 settlement funds between end user and reseller claimants. Resellers will be able to submit a
13 claim online or by mail. A specimen Reseller Claim Form is attached hereto as **Exhibit C**. All
14 of these documents would be available at the settlement website in both English and Spanish.

15 5. Primary Notice: Mailed Notice to Resellers. The main outreach of the reseller
16 Notice Program will be to send notices by U.S. mail directly to resellers. I employed the North
17 American Industry Classification System (NAICS)¹ to identify resellers, including entities in the
18 retail, wholesale and manufacturing sectors. The relevant NAICS codes I identified are:

- 19 ➤ Code 443142 (Electronics Stores);
- 20 ➤ Code 452111 (Department stores, except discount department stores);
- 21 ➤ Code 452112 (Discount Department Stores);
- 22 ➤ Code 452910 (Warehouse Clubs and Supercenters);

23
24
25 ¹ The U. S. Census Bureau explains: “The North American Industry Classification System
26 (NAICS) is the standard used by Federal statistical agencies in classifying business
27 establishments for the purpose of collecting, analyzing, and publishing statistical data related to
28 the U. S. business economy. NAICS was developed under the auspices of the Office of
Management and Budget (OMB), and adopted in 1997 to replace the Standard Industrial
Classification (SIC) system.” See <http://www.census.gov/eos/www/naics/>

- Code 423620 (Household Appliances, Electric Housewares, and Consumer Electronics Merchant Wholesalers);
- Code 423430 (Computer and Computer Peripheral Equipment and Software Merchant Wholesalers); and
- Code 334118 (Computer Terminal and Other Computer Peripheral Equipment Manufacturing).

The U.S. Census Bureau, in its most recently released data,² reports that in 2013 there were a total of 27,872 firms nationwide that are in the seven (7) NAICS codes listed above.³ In order to obtain mailing addresses for these firms, I utilized data obtained from Hoover's Inc., a Dun & Bradstreet Company ("D&B"), which reports that it maintains the largest commercial database of 85 million companies, 100 million professionals, and 900 industry segments. The U.S. Government's assessment is that D&B offers "the most extensive business database in the world."⁴ I obtained from D&B Hoover's database a mailing list for 95,086 firms classified in the seven NAICS codes for resellers.⁵ Thus, in order to reach the 27,872 firms classified by the U.S. Census Bureau in the reseller NAICS codes listed above, I obtained a mailing list consisting of *more than three (3) times* the number of firms for those same reseller NAICS codes. In my opinion, D&B Hoover's database provides an extensive and comprehensive business list for the seven NAICS codes listed above. The Notice Company will send a postcard notice by U.S. mail to all 95,086 firms identified above. The postcard notice will be substantially in the form

² U.S. Census Bureau's latest annual data are available at <http://www.census.gov/econ/susb/>.

³ This is the reported number of "firms". "A firm is a business organization consisting of one or more domestic establishments in the same state and industry that were specified under common ownership or control." A firm may have one or more physical locations. See U.S. Census Bureau definitions at <https://www.census.gov/econ/susb/definitions.html>.

⁴ U.S. Department of Transportation, *Report on The American Recovery & Reinvestment Act*, at http://www.fta.dot.gov/about/12835_9327.html. D&B's Hoover service is often used as the basis for government studies of business. See, e.g., New York State Energy Research and Development Authority, *Benchmarking Electricity Consumption and Carbon Dioxide Emissions* (2013) at http://aceee.org/files/proceedings/2013/data/papers/2_104.pdf.

⁵ Hoover's list of 95,086 firms contains 808 public companies and 94,278 nonpublic businesses; it consists of small, medium and large establishments, including 21,289 home-based businesses.

1 attached hereto as **Exhibit D**, informing resellers of their opportunity to submit a claim, their
 2 right to object to the proposed allocation of funds from the Chunghwa Settlement and providing
 3 instructions if they want additional information.

4 6. Notice by Email to Resellers. Consumer Technology Publishing Group (CTPG), a
 5 division of NAPCO Media, publishes *Dealerscope* magazine and offers services to consumer
 6 electronics retailers and e-tailers of all sizes. CTPG has agreed to make available its email list of
 7 approximately 30,000 of the leading consumer electronics retailers, distributors, buyers and
 8 manufacturers in the United States. The email list will be used by The Notice Company to
 9 distribute the information contained in the postcard notice, informing resellers of their
 10 opportunity to submit a claim, their right to object to the proposed allocation of funds from the
 11 Chunghwa Settlement and providing instructions if they want additional information.

12 7. Website Banner Ads Directed to Resellers. NewBay Media, publisher of *TWICE*
 13 magazine, provides multichannel-marketing solutions directed specifically to retailers and
 14 distributors of consumer electronics and computers. NewBay Media reports that the TWICE.com
 15 website receives over 250,000 impressions each month from over 128,000 unique visitors. The
 16 Notice Company will prepare an informative electronic banner ad to be displayed for one month
 17 on the *TWICE* website, with the banner ad linking directly to the CRTclaims.com website.

18 8. Print Ad of General Circulation. *The New York Times*, Sunday edition, is one of
 19 the top nationwide newspapers, with an audited print circulation of approximately 1.2 million.
 20 As part of our program to achieve a comprehensive reach, encompassing entities who were
 21 resellers during the Class Period, The Notice Company would publish in *The New York Times*,
 22 Sunday edition, a Summary Notice substantially in the form attached hereto as **Exhibit B**,
 23 informing these entities of their opportunity to submit a claim, their right to object to the
 24 proposed allocation of funds from the Chunghwa Settlement and providing instructions if they
 25 want additional information.

26 9. Press Release - English. The Summary Notice will be issued as a nationwide
 27 press release utilizing the U.S. domestic news line of PR Newswire. Attached hereto as **Exhibit**
 28

1 **E** is a current listing of the distribution outlets to which the press release will be issued, which
 2 includes local and regional magazines, news services, newspapers, online media, blogs, radio and
 3 television across the country.

4 10. Press Release - Spanish. The Notice Company will also issue the Summary
 5 Notice in Spanish as a nationwide press release utilizing PR Newswire's National Hispanic
 6 Newswire. Attached hereto as **Exhibit F** is a current listing of the distribution outlets to which the
 7 Spanish press release will be issued, which includes blogs, cable TV, broadcast TV, radio,
 8 magazines, newspapers and news services across the country.

9 11. Twitter. The Notice Company will utilize PR Newswire's Twitter feeds to
 10 increase the exposure of the notice. Press releases are shared in social networks many thousands
 11 of times each day. PR Newswire will post our Twitter message (100 characters or less) at
 12 staggered intervals to three of PR Newswire's industry-specific Twitter accounts, including a
 13 shortened link back to our press release.

14 12. Blogs. A blog is a discussion-style website that is regularly updated and that
 15 typically focus on a particular topic of interest to its author(s). Nielsen observes: "Blogs are
 16 sometimes overlooked as a significant source of online buzz in comparison to social networking
 17 sites, yet consumer interest in blogs keeps growing."⁶ Hubspot reports that 46% of people read
 18 blogs more than once a day.⁷ The Notice Company, in conjunction with PR Newswire, will
 19 submit the Summary Notice to 212 blogs focused on Consumer Electronics, as listed in **Exhibit**
 20 **G** attached hereto, and to 265 blogs focused on Computer Hardware as listed in **Exhibit H**
 21 attached hereto.

22 13. Reach of Notice – Resellers. The mailed notice directed to resellers is designed to
 23 reach close to 100% of the entities that meet the reseller classification codes identified using the

1 North American Industry Classification System (NAICS). This, plus the additional notice
 2 provided via online methods, print, press releases and social media should assure near complete
 3 coverage of resellers.

4 14. Costs of Notice - Resellers. I estimate that the reseller notice program will cost
 5 approximately \$100,000. Much of these costs would have been incurred regardless of whether
 6 notice to resellers had been part of the original notice program. However, portions of the reseller
 7 notice program that are targeted to a more general audience, such as the publication in *The New*
 8 *York Times* and the national press release in PR Newswire, could have been combined with the
 9 original notice to end users. Such combined notices would have been lengthier, and thus more
 10 expensive, than the original notices, but there would have only been a need for one issuance of
 11 such notices. I estimate that a third of the cost of the reseller notice program, approximately
 12 \$33,000, reflects an extra cost that would not have been incurred had the reseller notice been
 13 given as part of the original notice program.

14 END-USER NOTICE

15 15. Notice to End Users. End users who submitted claims will be notified of the
 16 Chunghwa distribution plan by email or regular mail substantially in the form attached hereto as
 17 **Exhibit I.**⁸ As with resellers, end users will be informed of their right to object to the proposed
 18 allocation between end user and reseller claimants and they will be directed to the settlement
 19 website at **www.CRTclaims.com** for complete information.

20 16. Costs of Notice – End Users. I estimate that the End-User notice program will
 21 cost approximately \$10,000. This represents the extra cost of providing communications of the
 22 Chunghwa allocation to all end users that submitted claims.

23 17. Reach of Notice – End Uses. Notice will be provided to all end users who
 24 submitted claims.

25
 26
 27 ⁸ Claimants who did not provide the Claims Administrator with an email address will be notified
 28 by regular mail. Notices will be sent to class members who submitted timely or late claims as of
 the date that the Court approves these Chunghwa notices. Information on the Chunghwa
 distribution plan will be posted to the settlement website.

ADMINISTRATION COSTS

18. Costs of Administration. The costs to process reseller claims would need to be incurred regardless of whether notice to resellers was provided early or late in the process. However, implementation of the Chunghwa pro rata allocation plan will require program changes to the claims administration systems. I estimate that the costs to implement such system changes will be approximately \$5,000, which is a cost that would not have been necessary had the systems been initially setup to handle the Chunghwa allocation plan.

19. Costs of Dual Claimants. If an existing end-user claimant subsequently submits a Reseller Claim Form for additional CRT Products that had been indirectly purchased for resale, we will be faced with the task of processing two claims submissions from the same entity (a "Dual Claimant"). The costs of processing two claim forms from a single entity could have been avoided if the original end-user claim form had been designed as a dual-purpose form, to accept both end-user and reseller claims from a Dual Claimant. I estimate that the extra cost of processing two claim submissions from the same entity using single-purpose claim forms, compared to processing a single, more extensive dual-purpose claim form from a Dual Claimant, would be approximately \$5 for an entity who submits claims online and \$13 for an entity who mails in paper claims. At this point, however, no reseller claims have been submitted so I have no reliable estimate of the number of existing end-user claimants who will become Dual Claimants. As the claims process proceeds, The Notice Company can track the number of end-user claimants who become Dual Claimants and thereby determine the magnitude of the associated costs.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

Executed at Hingham, Massachusetts, this 7th day of March, 2016.

A Federal Court authorized this notice. This is not a solicitation from a lawyer.

- Please read this notice carefully. Your legal rights may be affected whether or not you act.
- This litigation involves alleged overcharges on the price of Cathode Ray Tube ("CRT") Products purchased indirectly from the Defendants. "CRT Products" include CRTs and products containing CRTs, such as televisions and computer monitors. "Indirectly" means that you did not purchase the CRT Product directly from any Defendant.
- On March 22, 2012, the Court finally approved a \$10 million cash settlement with Defendant Chunghwa Picture Tubes, Ltd., and entered a Final Judgment against Chunghwa. The Net Settlement Fund after payment of court-approved expenses and attorneys' fees is \$6,867,631 plus interest.
- The Settlement Class approved by the Court included all indirect purchasers of CRTs and CRT Products nationwide, and released all claims by these indirect purchasers against Chunghwa relating to the allegations in the Complaint.

BASIC INFORMATION

1. What is this Notice about?

This Notice is to inform resellers about their right to claim a share of the Chunghwa Settlement Fund and to explain the Plan of Distribution for the net Settlement Fund. The Settlement was finally approved by the United States District Court for the Northern District of California on March 22, 2012. Unless you excluded yourself before February 1, 2012 you are a member of the Settlement Class. At this time, resellers have a limited right to object to the Plan of Distribution of this Settlement Fund.

The case is called *In re: Cathode Ray Tube (CRT) Antitrust Litigation*, MDL No. 1917. The people and businesses that sued are called the Plaintiffs, and the companies they sued are called the Defendants.

2. What is a Cathode Ray Tube ("CRT")?

Cathode Ray Tubes ("CRTs") are a display technology that was widely used in televisions and computer monitors. Before LCD, Plasma and LED display technologies became popular, CRTs were the main technology used in displays. There are two main types of CRTs: Color Display Tubes ("CDTs" or "Monitor Tubes"), which were used to manufacture computer monitors, and Color Picture Tubes ("CPTs" or "TV Tubes"), which were used to manufacture televisions. This is what a CRT looks like:

3. What is a CRT Product?

For the purposes of the lawsuit and the Settlement, CRT Products means Cathode Ray Tubes (color display tubes, color picture tubes and monochrome display tubes) and products containing Cathode Ray Tubes, such as televisions and computer monitors. This is what a CRT Product looks like:

CRT Monitor:

CRT Television:

4. What is the lawsuit about?

The lawsuit claims that the Defendants fixed the prices of CRTs from March 1, 1995 to November 25, 2007, which resulted in overcharges to people and businesses that bought CRTs and products containing CRTs, such as televisions and computer monitors. The Defendants deny these claims. The Court has not decided who is right.

On March 22, 2012, the Court approved a Settlement totaling \$10,000,000 with Defendant Chunghwa. Plaintiffs have since entered into other settlements with other Defendants but resellers are not included in those settlements.

5. What is a class action?

In a class action, one or more persons or businesses called class representatives sue on behalf of a group or a “class” of others with similar claims. If the Court determines that a case should proceed as a class action, everyone’s claims can be combined into a single proceeding, creating efficiencies for the parties and the courts. In a class action, the court resolves the issues for all class members except those who exclude themselves from the Class.

WHO IS INCLUDED IN THE LAWSUIT?

6. Who are the Defendant companies?

The Defendants are manufacturers and/or sellers of CRTs.

The Defendant companies are:

- Chunghwa Picture Tubes Ltd.; Chunghwa Picture Tubes (Malaysia) SDN. BHD (“Chunghwa”);
- LG Electronics Inc.; LG Electronics USA, Inc.; LG Electronics Taiwan Taipei Co., Ltd. (“LG”);
- Koninklijke Philips N.V. (f/k/a Koninklijke Philips Electronics N.V.); Philips Electronics North America Corporation; Philips Taiwan Limited (f/k/a Philips Electronics Industries (Taiwan), Ltd.); Philips do Brasil, Ltda. (f/k/a Philips da Amazonia Industria Electronica Ltda.) (“Philips”);
- Panasonic Corporation (f/k/a Matsushita Electric Industrial Co., Ltd.); Panasonic Corporation of North America; MT Picture Display Co., Ltd.; and an affiliate of Panasonic Corporation, Beijing Matsushita Color CRT Co., Ltd. (collectively “Panasonic”);
- Hitachi, Ltd.; Hitachi Displays, Ltd. (n/k/a Japan Display Inc.); Hitachi Electronic Devices (USA), Inc.; Hitachi Asia, Ltd.; Hitachi America, Ltd. (“Hitachi”);
- Toshiba Corporation; Toshiba America Information Systems, Inc.; Toshiba America Consumer Products, L.L.C.; Toshiba America Electronic Components, Inc. (“Toshiba”);
- Samsung SDI Co. Ltd; Samsung SDI America, Inc.; Samsung SDI Brasil, Ltda.; Tianjin Samsung SDI Co., Ltd.; Shenzhen Samsung SDI Co., Ltd; Samsung SDI Malaysia Sdn. Bhd; Samsung SDI Mexico S.A. de C.V. (“Samsung SDI”);
- Thomson SA n/k/a Technicolor SA and Thomson Consumer Electronics, Inc.; and
- Technologies Displays Americas, LLC.

There are several other manufacturers and sellers of CRTs that Plaintiffs allege were a part of the alleged conspiracy but who are not currently defendants or have not appeared in the litigation. The names of these companies are:

- LG.Philips Displays, a/k/a LP Displays International, Ltd.;
- IRICO Group Corporation; IRICO Display Devices Co., Ltd.; and IRICO Group Electronics Co., Ltd.;
- Thai CRT Company, Ltd.;
- Samtel Color, Ltd.;

- Orion Electric Company, Ltd.;
- Videocon Industries, Ltd.; and
- Mitsubishi Electric Corporation; Mitsubishi Electric & Electronics USA, Inc.; and Mitsubishi Digital Electronics Americas, Inc.

7. How do I know if I am in the Settlement Class?

The Settlement Class includes any person or business that indirectly purchased in the U.S., from March 1, 1995 through November 25, 2007, any CRT Product made by the Defendants. Both consumers and resellers are included in the Settlement Class. However, only resellers who indirectly purchased CRT Products in one of the 22 states listed on page 1 of this Notice are eligible to file a claim now. Consumer class members are participating in a separate claims process. Thus, this notice is directed only to resellers. You are a “reseller” if you indirectly purchased CRT products for the purpose of reselling them to others. Examples of resellers include, but are not limited to, electronics stores and wholesalers.

Exclusions:

- Specifically excluded from the Settlement Class are the Defendants; the officers, directors or employees of any Defendant; any entity in which any Defendant has a controlling interest; and, any affiliate, legal representative, heir or assign of any Defendant.
- Also excluded are named co-conspirators, any federal, state or local government entities, any judicial officer presiding over this action and members of his/her immediate family and judicial staff, and any juror assigned to this action.
- Claims under the Washington Unfair Business Practices and Consumer Protection Act are also excluded.
- Sony Corporation is not a defendant and purchases of Sony® branded CRT Products are excluded from the Settlements.

The specific class definition is available at www.CRTclaims.com/reseller.

8. Why does the Settlement exclude claims under the Washington Unfair Business Practices and Consumer Protection Act?

Based on a motion by the Washington Attorney General, the Court in this case determined that the Settlement may not release claims under the Washington Unfair Business Practices and Consumer Protection Act because only the Washington Attorney General may release those claims.

THE SETTLEMENT'S BENEFITS

9. What does the Settlement provide?

Pursuant to the Settlement Agreement, Defendant Chunghwa paid \$10,000,000 in cash into an escrow account, where it has been gathering interest for the benefit of the Class. Chunghwa also provided information about the case, including other Defendants' involvement in the conspiracy, to Class Counsel. The Settlement Agreement also provided that part of the Settlement Fund may be used to pay expenses incurred in the litigation and attorneys' fees.

The Settlement Agreement and the papers filed in support of the Settlement are available for review and download at www.CRTclaims.com/reseller, or you can request copies by calling 1-800-649-8153.

10. What is the Net Settlement Fund?

The Court has approved the payment of \$632,369 in expenses from the Chunghwa Settlement Fund, and \$2.5 million in attorneys' fees to Class Counsel. Thus, the Net Settlement Fund available for distribution is \$6,867,631 plus interest.

11. How much money can I get?

As part of the settlement approval in March 2012, the Court approved a partial plan of distribution of the Settlement Funds. Pursuant to this plan, the Net Settlement Fund will first be allocated amongst the 22 states listed on page 1 of this Notice plus Illinois and Oregon, so that each state receives its pro rata share. Each state's pro rata share shall be determined by computing its population as a percentage of the total population of all 24 states using census figures from the year 2000. The Attorneys General of Illinois and Oregon will be allocated 8.59% and 2.37% of the Net Settlement Fund (\$589,947 and \$162,768, respectively). These Attorneys General will distribute these monies to residents of Illinois and Oregon. This leaves \$6,115,116 for distribution to claimants in the other 22 states.

Each of the 22 states' pro rata share of the \$6,115,116 will be divided 50-50 between resellers and consumers, and then distributed to reseller and consumer claimants on a pro rata basis. This means that payment amounts will be based on the number of valid claims filed, as well as on the number and type of CRT Product(s) purchased: Standard CRT Television (screen size of less than 30 inches); Large CRT Television (screen size of 30 inches or larger); or CRT Computer Monitor. Based on data obtained during the course of the litigation, claims for different types of CRT Products will be weighted as follows:

- Claims for purchases of Standard CRT Televisions will be weighted as 1;
- Claims for purchases of Large CRT Televisions will be weighted as 4.3; and
- Claims for purchases of CRT Computer Monitors will be weighted as 3.

At this time, it is unknown how much money each claimant will recover. The maximum payment will be three times the estimated overcharge for each claimant. In the event that reseller claimants do not exhaust a particular state's reseller fund, the residue will be distributed pro rata to existing end-user claimants from that state.

Note: If you previously filed a claim for CRT Products that you purchased as an end user and not for resale, you are still eligible to file as a reseller if you purchased additional CRT Products for resale purposes.

More details about the anticipated distribution of the Settlement Fund, including each state's percentage allocation, are available in the papers filed with the Court regarding the plan of distribution, which are available on the settlement website, www.CRTclaims.com/reseller. In order to receive a payment for CRT Products that you purchased for resale to others, you need to file a valid claim (see Question 13). The Claim Form provides additional details on how to submit a claim. Further information is available at www.CRTclaims.com/reseller or by calling 1-800-649-8153.

12. When will I get a payment?

THE LAWYERS REPRESENTING YOU

14. Do I have a lawyer representing me?

The Court has appointed Trump, Alioto, Trump & Prescott LLP, 2280 Union Street, San Francisco, CA 94123, to represent you as "Class Counsel" for the Settlement Class. You do not have to pay Class Counsel separately. If you want to be represented by your own lawyer, and have that lawyer appear in court for you in this case, you may hire one at your own expense.

RIGHT TO EXCLUDE YOURSELF OR OBJECT TO THE SETTLEMENT

15. Who has a right to exclude themselves or object to the Settlement?

A Notice regarding the Chunghwa Settlement was previously published and distributed in connection with the 2012 approval hearing. Members of the Chunghwa Settlement Class were notified of the Chunghwa Settlement and their right to exclude themselves or object to the Settlement before it was finally approved by the Court in 2012. Those who did not exclude themselves from the Chunghwa Settlement at that time are now bound by its terms. The time has passed to exclude yourself or to object to the Chunghwa Settlement. However, you may object to the proposed plan of distribution. See Question 16 below.

OBJECTING TO OR COMMENTING ON THE PLAN OF DISTRIBUTION

16. How do I object to or comment on the Plan of Distribution?

You may object to or comment in writing on the proposed 50-50 allocation between resellers and consumers. The written objection needs to include the following information:

- Your name, address, telephone number, and if you are being assisted by a lawyer, their name, address and telephone number;
- The case name and number (In re Cathode Ray Tube (CRT) Antitrust Litigation, MDL No. 1917);
- Proof of membership in the class;
- A brief explanation of your reasons for objecting; and
- Your signature.

The objection must be submitted to the Court either by mailing it to the Class Action Clerk at the address below, or by filing it in person at any location of the United States District Court for the Northern District of California. **The objection must be filed with the Court or postmarked on or before xxxxx, 2016:**

You may be Eligible
to Claim from
\$6,867,631 Net
Settlement Fund**

**Simple Online
Claim Form
Takes 3-5 Minutes**

In March 2012, a class action settlement was approved involving Cathode Ray Tubes ("CRTs"), an older display device that was sold by itself or as the main component in TVs and computer monitors before the use of LCD, Plasma and LED Display Technologies. The lawsuit claims that the Defendants fixed the prices of CRTs causing indirect purchasers of products containing CRTs, such as TVs and computer monitors (collectively "CRT Products"), to pay more than they otherwise would have. The Defendants deny Plaintiffs' allegations.

Who is Eligible to Claim Money?

You are eligible to claim money if, for purposes of resale, you purchased CRT Products between March 1, 1995, and November 25, 2007 in AZ, CA, FL, HI, IA, KS, ME, MI, MN, MS, NE, NV, NM, NY, NC, ND, SD, TN, VT, WV, WI, or the District of Columbia.

Purchases made directly from a defendant or an alleged co-conspirator are **not** included in this settlement (see the list of defendants and alleged co-conspirators at www.CRTclaims.com/reseller or by calling 1-800-649-8153).

Sony is not a defendant and Sony® branded products are not eligible to be included in these claims.

What does the settlement provide?

Qualifying resellers who submit timely claims are eligible to receive money from a \$6,867,631 net settlement fund. Of this amount, \$589,930 and \$162,763 will be allocated to the Attorneys General of Illinois and Oregon, respectfully, to be distributed to the residents of those states. The balance of the fund, \$6,114,938, will be allocated *pro rata* to the District of Columbia and the 21 states listed above according to a population-based formula approved by the Court. Resellers will be eligible to claim against 50% of each state's fund (\$3,057,469). Consumers have already filed claims.

The amount of money you will receive depends on the type and quantity of CRT Products you purchased and the total number of eligible reseller claims made in your respective state. The allocation plan is described more fully in the Detailed Notice available at www.CRTclaims.com/reseller.

How can I get a payment?

Claim online or by mail by **XXXX xx, 2016.[120 day claim period]** The simple online Claim Form only takes 3-5 minutes for most.

What are my rights?

The settlement was finally approved on March 22, 2012. You have the right to object to the allocation of the net settlement fund between resellers and consumers. All objections must be submitted to the Court by you or your own lawyer by **XXXX xx, 2016.[60 days to object]** The decisions of the Court will be binding on all class members.
